Donations will gladly be accepted through **Monday, September 30th**. We kindly request your donation as soon as possible to ensure our team of volunteers has time to prepare and tag your kind and generous gift. Any new item will be accepted including collectibles. Gift cards (including partial gift cards) or services make great donations. Bring a single item and we will add it to an existing basket. Or make a monetary donation and we will put your gift to good use, including discounts we receive from local merchants. Business owners, you are encouraged to include any materials about your company that can be displayed along with your donation. What a great way to market in the community in which you support and operate your business.
